

Dear America Saraswata Sangha,

I want to personally thank you for helping Feeding America support neighbors facing hunger in the midst of the COVID-19 crisis. Your compassion helps provide more than a meal—it provides hope that better days are ahead.

While we've done so much together, the crisis is still ongoing. I hope you received my recent letter about the challenges we face, asking you to make a gift to help neighbors living with hunger.

America Saraswata Sangha, thank you again for caring about people at risk of hunger. They need your continued support as we work together to light the way forward through this pandemic. Thank you.

Sincerely,

Claire

CEO, Feeding America

Thanks to your support, the Feeding America nationwide network of food banks is leading the fight against hunger. Each year, we serve more than 40 million neighbors facing hunger.
