Dear America Saraswata Sangha (AMSAS)
1040 Jayaguru Lane
Efland, NC

Thank you so much for having your group come and pack meals at Kids Against Hunger Bay Area. Your generous donation of \$1000.00 to Kids Against Hunger-Bay Area paid for the ingredients to produce 5000 meals. That is so awesome.

As we continue to pack and provide nutritious meals both locally and globally, your donation and help is more important than ever given the urgent need. Because of the generosity of organizations like yours, we have been able to send over 2 million meals to Ukrainian Relief efforts and we have partnered with Convoy of Hope to send meals to victims of natural disasters. We are also committed to send 1 Million meals to Haiti each year. We reached a milestone of having packed over 25 million meals for children and families in need since we opened in 2010 and **incredibly** we packed 3.32 million meals in 2023.

We could not do any of this without your help and support. We are grateful to everyone who donated and came to a packing event, and for everyone who sent in a donation to help us cover the cost of the ingredients.

For updates on our progress, please visit our website at KAHBayArea.org and be sure to follow us on Facebook for regular updates and photos from packing events.

Thanks again for your kindness.

Warm regards,
