Dear America Saraswata Sangha,

The North Carolina Community Foundation has received a gift from you in the amount of \$1,000.00 on 10/11/2024. This gift has been directed to the North Carolina Community Foundation Disaster Relief Fund. This fund supports unmet and long-term needs in our state's affected communities after a disaster. Gifts made at this time will support communities impacted by Hurricane Helene.

In the event of a disaster, our affiliate foundation boards and statewide Grants Committee will ensure that all contributions to the NCCF Disaster Relief Fund are effectively distributed to those nonprofit agencies that can serve the greatest needs in our state's impacted communities.

We are so grateful for the support of caring individuals and organizations that have responded generously to help us support the rebuilding of our state. We appreciate your generosity. We invite you to learn more about NCCF and how the funds will be allocated at nccommunityfoundation.org.

With sincere thanks,
