Dear Sundar and Friends,

Thank you for assembling and delivering 100 breakfast bags for our guests. Your thoughtful donation has already helped so many. The families coming to us for food and social services rely on the kindness of others and thanks to you, we are able to keep our doors open each day.

nourish.NJ strives to create a welcoming and inclusive environment every single day. Our services are available for free and ensure all our neighbors can meet their basic needs.

In 2024 with the support of our community we were able to:

- serve twice the amount of meals than last year (around 1,000 a day)
- deliver an estimated 12,000 meals to seniors and those without transportation
- provide over 911,000 pounds of fresh produce, meat, and dairy products through our marketplace
- assist approximately 780 neighbors with outreach services
- prevent 71 families from being evicted
- move 21 households into new, safe, stable housing

Thank you for your support and for making a difference in the lives of your neighbors.

With Gratitude,

Heidi Griffie
