

**SECOND HARVEST**  
of SILICON VALLEY

## Thank you for your gift

Hi Anup,

Thank you for your generous gift to Second Harvest of Silicon Valley. Your support will go directly toward helping the **1 in 6 people in our community** who rely on Second Harvest for nutritious food.

Because of you, families who are struggling to choose between paying rent or putting food on the table will have the groceries they need. With **your support** plus the collaboration of our **400 community partners**, together we are making sure every local child, senior, and individual has access to the food they need to thrive and celebrate this upcoming holiday season.

The support she receives from her community means the world to Cristina, a 62-year-old librarian and grandmother living in San

Jose with her family. She shared:

“It’s been very helpful for my grandchildren, for my son and daughter-in-law and for my husband. There’s a lot of good vegetables. **Picking up the food helps a lot because if I don’t come, there’s nothing in the refrigerator for the children.**”

If you have any questions, please don’t hesitate to reach out. We’re excited to share a new way to get in touch with us: **you can now send a text to 72921 and a member of our Donor Engagement Team will respond as soon as possible.** Message and data rates may apply.

Thank you again for your partnership and generosity. Without the collective support of our community, we couldn’t do this important work. Together, we can end local hunger.

With gratitude,  
Leslie Bacho  
Chief Executive Officer
